

## Religious School Registration Form

**If you were registered last year, you may fill out only any information that needs updating (i.e. child's age, grade, or anything else that has changed such as emails or phones.)**

Since our community includes a variety of family structures, we are asking for information so that we can be more sensitive to the needs of our children. All disclosures will be held in confidence. We welcome comments and will be happy to assist your family in any way that we can.

Since it is beneficial to the children when both parents are involved in their religious education, we will send reports to both parents unless otherwise requested.
